CHILD SPONSORSHIP FORM

Sponsoring a child with the Cogwheel Trust will ensure that a needy child is given the best possible care in our children's home or children's centre. Every penny given in child sponsorship actually goes towards the care of the child and not in administration. £20.00 per month will help us to feed, clothe, educate and accommodate one child. We always have children needing sponsors as many are taken into care without a sponsor being available.

The need of the child is our first priority

A child sponsor can if they wish, have contact with their child by writing to them, sending birthday and Christmas cards, the children love to get mail and are always keen to reply. The Trust updates sponsors annually with details of how their child is progressing and send a new photograph of them. We do not encourage gifts being sent to Uganda as often they do not arrive. Instead, by sending a cheque to the Trust, we will purchase something suitable for the child on your behalf.

If you would like to sponsor one of our children, please complete your details on this Bankers Order Form and return it to 'The Cogwheel Trust'. We will then submit it to your bank and send you the details of your child.
